The TelSoc Annual General Meeting is scheduled for **Tuesday 26th November**. It will take place between 11:45 and 1:45pm at the Telstra Experience Centre at 242 Exhibition St Melbourne, plus Financial Members not present will be able to join online via Zoom. Full details are given below.

I am pleased to say we have an interesting speaker:

Todd Essery, Chapter Lead & Technology Area Lead (Wireless) at Telstra Lab talking on "**The Future of 5G**".

Todd is an expert on 5G and will be concentrating on what is new and what is coming!

It is important to have a good turnout for what is probably a pivotal AGM for TelSoc.

FREE SANDWICHES will be provided.

Plus, we will be demonstrating a new, sharper website;
and, once again, the Board Nomination Form is awaiting ^[3]!

But, you don't have to become a Board Member to volunteer to assist with lectures, blogging, networking events, etc. Any TelSoc Member interested, please contact me at tim.herring@telsoc.org
