### Lower prices, more data with new NBN wholesale discount plans

NBN Co, the operator of the National Broadband Network, has announced a range of new wholesale bundles offering lower prices and more data inclusions, following an extensive industry consultation process.

### Telcos must 'play their part' for consumers to benefit from NBN pricing changes

Australia's peak body for consumer representation in communications, the Australian Communications Consumer Action Network (ACCAN), says telcos must play their part if consumers are to benefit from changes to NBN Co's wholesale pricing and data capacity.

### iiNet penalised by ACMA after bad NBN migration process

A poor NBN migration for a customer has resulted in TPG-owned RSP iiNet being censured by Australia's communications regulator and forced to take remedial action under threat of a potential \$10 million fine.

### Aussie Broadband makes Deloitte Tech Fast 50 with big jump in revenue

Broadband retail service provider Aussie Broadband has achieved average revenue growth of 308% over the last three years to gain a listing as the only telco in this year's Deloitte Technology Fast 50.
