Dear TelSoc Member or Guest Member,

TelSoc is making changes to the TelSoc Brand [3] and to its membership [4] (details on the website)

[5]

From 1st July 2017, the TelSoc Annual Membership is now based on the Financial Year and has been raised to \$120.

If you are currently a TelSoc Member, you will be receiving a renewal email, so I apologise if you are getting this news twice.

For all others there are a number of changes. If you haven't paid for membership recently, you are classed as a "Guest Member" and after a few weeks you will be removed from newsletter lists. In future new Guest Members will get 3 months access to news and emails only.

If you wish to stay on newsletters (including CommsWire), you will need to be a **TelSoc Member** [4] and pay the subscription.

To do this, please **JOIN NOW** [6] and you will get **Membership at last year's rate of \$100, but only until 31 July**.

To **JOIN NOW** [6] (or renew), login in first (if you can remember!, otherwise just fill out the form anew), then please use this code (all caps) in the shopping basket "ANNUAL MEMBER". It gives you \$20 off the new price (back to \$100). Your membership will then be **valid until 30 June 2018**.

Take a few minutes to read our new **Vision and Mission** [7] - we intend to roll-out more value over the coming weeks and months.

Best regards,

Tim Herring, Executive Director TelSoc
