I have been invited to speak at the 5G Business Summit in Sydney on 28-30 April 2020.

As part of this, I have been able negotiate a 15% discount for TelSoc Members (Financial and Guest Members).

Please see the embarrassing poster with my picture on it for details<sup>[3]</sup>.

To book, follow the instructions on the poster.

I hope to see some of you there!

Best regards,

Tim Herring, Executive Director TelSoc
