Dear TelSoc Member,

My apologies, I caused an error in the Postcode which is now fixed. Sorry to mess you around!

If you have already filled in this survey and it failed, my apologies and please give it another try. We are keen to have input from our Members!

(It may say you have already completed it, in which case we already have your data).

Take a few minutes to **complete this survey** [3] and help us understand what is important to you and also where we should head in the future.

The survey is anonymous, but at the end we invite you to provide contact details if you are open to further inputs.

Best regards,

Tim Herring, TelSoc Executive Director

NOTE: If you no longer wish to continue as a member, please contact me and I will delete your file. Tim.Herring@TelSoc.org [4]
