As Peter Gerrand has outlined in an earlier blog, the NBN Futures Project has moved in recent times from conducting the physical NBN Futures Forums to preparing discussion papers as the initial means to open up issues.

The first of these discussion papers, *Extending the Social and Economic Benefits of Australia's Broadband Networks: Action in the time of COVID-19* is available here in pdf format as a download link:

[Download Link](#) ^[3]

Comments on this paper are welcome, either in the form of a blog entry - preferred, to encourage discussion - or jpburke@fastmail.com.au ^[4].
