Dear TelSoc Members,

The IET Retired Group in SA has organised an interesting lecture from sonnenBatterie and they have kindly included TelSoc Members free-of-charge.

Here is the invitation from Don Grigg and a flyer on the event (including a link).

I for one am interested for my home system, but obviously there is interest for cell sites, nodes and small exchanges.

Tim Herring, Executive Director TelSoc

Subject: IET/IEEE Retired Engineers meeting Wed 2 Jun 2021 at 2:00pm via video conference - sonnenBatterie

Colleagues,

Welcome to our next technical meeting which is via a Zoom video conference on **Wed 2 Jun 2021 at 2:00pm**.

The subject is " **An overview of the Australian Made sonnenBatterie Energy Storage Systems**".

Our speaker is **Shahla Flynn, Technical Training Manager at sonnen Australia**

Please see flyer for details attached above.

Registration is required and can be made by using the "Register Now" link on the flyer.

Registration closes Tuesday 5:00pm 1 Jun 2021.

Join us on line to hear about this lithium battery manufacturing enterprise based in the old GM Holden factory at Elizabeth in Adelaide.

Regards

Don Grigg, Sec IET Retired Engineers Group
