TelSoc News and Events

14th September 2021

[1]

Dear Member,

Please be advised that TelSoc is planning its **Annual General Meeting 2021 for 12:00 noon on Thursday 28th October on Zoom.**

This is similar to the event from last year, which was well attended; it also has the added benefit that all Members from around Australia (and beyond) can attend.

Further details, including online Nomination forms for Board Membership, will be distributed shortly (it is over 6 weeks away).

Please note that only Financial Members can vote, so if you have still not renewed your membership for 21/22, then **please do so now** [3].

Best regards,
Tim Herring

TelSoc Executive Director
