☆ 124^[2]

This event is fully booked or has passed.

In January this year, the US Court ruled the FCC had over-reached its powers in imposing "net neutrality" conditions on service providers. Does this imply the biggest content providers can get the best speed, quality, price? What happens to the open internet?

TelSoc members only. Numbers limited.

This event is hosted by Creator Tech Pty Ltd who has graciously extended an invitation to TelSoc.

Date and Time

Thu, 27 Mar 2014

18:30 - 22:00 AEDT

Location

Mathew's Peacock Gardens Restaurant
100 Alexander Street
Crows Nest NSW 2065
Australia

Presenter(s)

Reg Coutts

[3] Reg is Emeritus Professor of Telecommunications at Adelaide University, Chairman of the TelSoc (formerly TSA), Member of ACMA amongst a list of other things. More importantly, Reg is a deep thinker, an industry driver and is not afraid to be controversial.
