TelSoc is pleased to announce the **Charles Todd Oration in Sydney on 21st October**.

We have a distinguished speaker, **The Hon Michelle Rowland MP, Minister for Communications**

Please see the website: [TelSoc.org](https://telsoc.org) [3] for details.

This year is also the 150th Anniversary of the Completion of the Overland Telegraph in 1872 by Sir Charles and his team.

We will have a display of telegraphy artefacts organised by the Telecommunications Museum.

The Minister will be four months into her term and may have something to say about the direction the Government wishes telecommunications to take over the next few years.

This is also a great opportunity to network with key people in the industry (at last) and possibly invite a key customer.

If you have any questions or require further information, then please contact me [Tim Herring](#) [4].

Otherwise you can simply log on through the website and pay using a credit card via PayPal.

For those of you in Melbourne, Canberra and Adelaide we are setting up remote events with sandwich lunches to view the event live. More on this later.
