Just a reminder that this event is happening in just over four weeks, so please book your place if you will be in Sydney.

There will be live events in Melbourne and Adelaide with sandwiches to view this event - see separate announcements!

TelSoc is pleased to announce the **Charles Todd Oration in Sydney on 21st October**.

We have a distinguished speaker, **The Hon Michelle Rowland MP, Minister for Communications**

Please see the website: [TelSoc.org](https://telsoc.org) [3] for details.

This year is also the **150th Anniversary of the Completion of the Overland Telegraph in 1872** by Sir Charles and his team.

We will have a display of telegraphy artefacts organised by the Telecommunications Museum.

The Minister will be four months into her term and may have something to say about the direction the Government wishes telecommunications to take over the next few years.

This is also a great opportunity to network with key people in the industry (at last) and possibly invite a key customer.

If you have any questions or require further information, then please contact me [Tim Herring](#) [4].

Otherwise you can simply log on through the website and pay using a credit card via PayPal.

If you know of any organisation that wishes to book a table, please refer this on to them or ask them to contact me ([Tim Herring](#) [4]).

With the compliment of TelSoc
