#### **Telstra, Fox Sports seal outside broadcast deal**

Telstra is facilitating Fox Sports' outdoor broadcasts through its distributed production network under a long-term deal inked by the two companies.

#### **NBN Co claims credit for Cairns small business boom**

An NBN Co commissioned report claims there has been a four per cent uplift in local small businesses (5-19 employees) in the last two years in part due to the region's increased connectivity through access to fast broadband.

#### **Optus announces \$5.5 million to improve mobile coverage in Shepparton and the Goulburn Valley**

Optus has announced a \$5.5 million commitment to improve 4G Plus mobile coverage in Shepparton and the Goulburn Valley.

#### **Moving Telstra's non-NBN fibre to NBN 'a backward step'**

The transfer of Telstra's South Brisbane and Velocity estate fibre networks to the NBN would be a backward step because the NBN does not support Foxtel and free-to-air TV over fibre as Velocity does, an industry source claims.

## MedAdvisor to integrate with US firm's mobile healthcare apps

Listed Australian medical technology company MedAdvisor has signed a deal with US-based iHealth Labs, covering integration with the latter's mobile healthcare solutions and apps.
