

Data sovereignty and the cloud – a structured bibliography

David Vaile

University of New South Wales

This set of references includes documents assisting understanding of the late-2013 status of cloud and data sovereignty (or “digital protectionism”) policy discussions in Australia. Material from the US, EU and other countries is necessarily less complete than that from Australia. Some online material may require registration or subscription. Links were active in October 2013.

1. Articles, books, papers	1
2. Government materials	10
3. Legislation and directives	15
4. Conventions, treaties and international agreements	18
5. Cases, rulings and decisions	19
6. Industry reports and policy documents	20

1. Articles, books, papers
